

REMARKS

Applicants submit concurrently herewith paper and computer-readable forms of the Sequence Listing in compliance with the Notification of Missing Requirements that was mailed on October 19, 2006. The Sequence Listing does not constitute new matter because all of the sequences in the Sequence Listing are found in the original specification on pages 21 and 22.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 16-0605.

Respectfully submitted,
